

Important Update: Your Reservation at Island Oaks RV Resort

To our Valued Guests,

First let me thank everyone for the interest and support you have shown towards Island Oaks RV Resort. We want to keep you up to date as our opening gets closer!

The past 2 years has been a challenge for so many people. Us, as well. We are working hard to catch-up. The contractor has advised that many, but not all amenities will be ready Nov.1st. For example, the swimming pool is projected to be completed beginning of December with the clubhouse and restaurant to follow shortly thereafter.

Why open before we are completely done with construction?

When I speak with prospective guests, most want to come for one of two reasons:

- They want to camp this autumn and enjoy the amenities we have to offer.
- Then there are many RVers who have been drawn to the area for family or work or to use the fantastic medical facilities in nearby Jacksonville. Folks have asked if we could accommodate them regardless of the status of amenities. We are happy to help but, in doing so, we do not want to disappoint anyone who is expecting the full experience we will offer when fully complete.

We want to meet and exceed your expectations each and every time you stay at Island Oaks.

For this very reason, it is important for us to know, that you are aware of the above.

We believe you will enjoy being one of the first guests to experience Island Oaks RV Resort, albeit not quite all of it. Your site, of course will include full hook-ups. A side bonus, you get an inside sneak-peak at the final phases as our team works towards completion. (Kinda fun!)

Island Oaks is a special place and we look forward to you being a part of it.

We expect to be fully operational at the first of the year. In the meantime, we want to be clear about what will be available during your stay this fall and early winter. As we confirm reservations we will disclose, to the best of our ability, what will not be complete. If we are not fully prepared with all promised amenities, you can cancel or reschedule without penalty.

It has been a challenge working through permitting, COVID and supply shortages but we are close and I can't wait to welcome you as our guests. All buildings will be under roof soon and progress will accelerate accordingly. The mini golf course is ready, sports courts soon, the pool is scheduled to start on Sept. 7 and take 2 months. The clubhouse should be complete by mid-December.

I will provide regular updates as we do everything we can to speed up the process. Please follow us on Facebook for updates or email info@islandoaksv.com

Thank you! Safe travels. We will see you soon!

Carter Funk,
President, Island Oaks RV Resort
